Objective: to use my experience with investment issues and my writing and teaching skills to advise investors on fiduciary issues

HIGHLIGHTS:

- Regularly analyze current investment issues affecting endowments, institutions, and individual investors who read different trade and consumer publications
- Ability to translate complex subjects to a broader them to a broader audience, whether it's the buyers of *Hedge Funds for Dummies*, CFA exam candidates, or undergraduates at the University of Illinois at Chicago
- Great curiosity and ability to do research and manage contacts via the Internet, personal interviews, field visits, and trade associations, leading to interesting and offbeat perspectives for business articles

BOOKS AUTHORED:

Hedge Funds for Dummies (Ann C. Logue, Wiley, 2006)

Day Trading for Dummies (Ann C. Logue, Wiley, 2007)

Socially Responsible Investing for Dummies (Ann C. Logue, Wiley, 2009)
