Weiss, Stephen E. and Thomas P. Murtha, "The GM-Toyota Joint Venture Negotiations." Toronto: York University, 1993

COMPETITIVE GRANTS AND CONTRACT RESEARCH:

- 2008-10** Alfred P. Sloan Foundation and the Center for Industry Studies, University of Pittsburgh. For 2009 & 2010 Industry Studies Association Annual Conference organization, hospitality and logistics in Chicago.
- 2003-** Alfred P. Sloan Foundation, “Creating and Capturing Value in Global Knowledge Networks.” Establishes the second phase of the Sloan Globalization Research Program, linking high-tech industry research teams at MIT, UC Berkeley, UC Irvine, UC Davis, CMU, Stanford, and Minnesota, coordinated through the Carlson School of Management’s Strategic Management Research Center (Frank Giarratani, University of Pittsburgh Center for Industry Studies, co-coordinator).
- 2003-** Alfred P. Sloan Foundation. “Death and Rebirth in Television Monitor Technology: Who Benefits?” Research team project proposal as part of the network described in the preceding item (with Stefanie Lenway).
- 2002** Alfred P. Sloan Foundation, for dissemination and promotion of research findings in my co-authored book published in December, 2001.
- 2002** Alfred P. Sloan Foundation, for an organizational workshop to establish Phase II of the Sloan Globalization Network research program, which will initiated a coordinated effort among eight Sloan Industry Studies Centers and Projects at various U.S. Universities for an invited joint working plan and grant proposal.
- 2000** Alfred P. Sloan Foundation, for exploration of the feasibility and potential academic merit of establishing The Audio Visual and Communications Industry Studies Center at the University of Minnesota.
- 1998-99** Alfred P. Sloan Foundation, for dissemination to industry, academe and the general public of research findings from our global fieldwork on the flat panel display industry; (see below), and seed money for follow-up study on knowledge creation in the personal computer supply chain (with Stefanie Lenway).
- 1996-97** Fidelity Brokerage Group and Fidelity International, Ltd. For validation and application of measurement scales for managerial attitudes toward international strategy and organizational processes (with Vladimir Pucik and Stefanie Lenway)
- 1995-98** Alfred P. Sloan Foundation, for global competitive assessment of the flat panel display industry (with Stefanie Lenway).
- 1995-96** Center for Advanced Human Resource Studies (CAHRS), Cornell University, for validation and application of measurement scales for managerial attitudes toward international strategy and organizational processes (with Stefanie Lenway).

COMPETITIVE GRANTS AND CONTRACT RESEARCH, continued:

- 1995-96** Graduate School Grant-in-Aid of Research, Artistry and Scholarship, University of Minnesota, for archival research in the Japanese language press on the global flat panel display industry (with Stefanie Lenway).
- 1995-96** International Program Development Fund, Carlson School of Management, University of Minnesota, for development of measurement scales for managerial attitudes toward international strategy and organizational processes (with Stefanie Lenway).
- 1994** University of Michigan Presidential Initiatives Fund (W.K. Kellogg Foundation) administered by Michigan Interdisciplinary Committee on Organizational Studies (ICOS), for a conference on international organizational studies (with C.K. Prahalad).
- 1994** U.S. Department of Education, Michigan Center for International Business Education and Research (CIBE), matching funds for a conference on international organizational studies
- 1992** Michigan Center for Research on Learning and Teaching, Faculty Development Grant for cross-cultural negotiation curriculum development.
- 1991, 1992** U.S. Department of Education, Michigan Center for International Business Education and Research (CIBE), for empirical investigation of organizational cognition of firm internationalization processes.
- 1987-93** Division of Research, Michigan Business School Summer Research Fellowship.
