

## Jim Bittman

The Options Institute  
Chicago Board Options Exchange  
400 South LaSalle Street  
Chicago, IL 60605  
1.877.THE.CBOE (1.877.843.2263)

Mr. Bittman is Director of Program Development and a Senior Instructor for The Options Institute at CBOE. He is the author of four books, *Options for the Stock Investor 2nd ed.*, *Trading Index Options*, *Trading and Hedging with Agricultural Futures* and *Options and Trading Options as a Professional*. At The Options Institute he teaches courses for public and institutional investors in the U.S. and around the world. In 1980 Mr. Bittman began his trading career as an equity options market maker at the Chicago Board Options Exchange. From 1983 to 1993, he was a Commodity Options Member of the Chicago Board of Trade where he traded options on financial futures and agricultural futures. Mr. Bittman received a BA from Amherst College in 1972 and an MBA from Harvard University in 1974. He also teaches in a Masters' level Program at The University of Illinois in Chicago.
